

Features & Benefits:

- Low profile design
- Perfect for small letter sets, narrow channel widths, or shallow return depths
- Weather resistant
- Easy to Install with adhesive back or screw mount
- Dimmable
- 5-year warranty

Population Guide:

Channel Depth:	3~4" [7.5~10 cm]
Stroke Width:	3" [7.5 cm]
Modules per Foot:	5
Modules per Meter:	16

Notes:

1. L70 Lifetime: 50,000 Hours.
2. Wire gauge: 24AWG.

UL® **CE** **IP66** **RoHS**

Technical & Optical Data:

Input Voltage:	12V DC
Working Current:	20mA
LED Color:	White/Neutral White /Warm White
Color Temperature:	6500K/4000K/3000K
Viewing Angle:	120°
LED per Unit:	2
Wattage per Unit:	0.25W
Light Output per Unit:	24 Lm
Lumen per Foot [Meter]:	120 Lm [385 Lm]
Operating Temp.:	-40 to 185°F [-40° to 85°C]

Dimensions:
